18v Hammer Drill 1 x 1.5Ah
Battery charger & Kit box

2 Gears - High speed for drilling into wood and Steel, Low speed for controlled driving

11 position clutch provides precise control for drilling into wood, metal, plastic and all screwdriving tasks

Hammer action for drilling into masonry and concrete

The power and speed to drill into wood, metal and for all screwdriving tasks

Variable speed for ultimate finger tip control for all drill and screwdriving applications

Anti slip soft grip which provides comfort when drill is in use

Quick and simple battery change, and a more secure fit with the clip in battery system

A large, detailed image of the Black+Decker 18v Hammer Drill. The drill is shown from a side-on perspective, highlighting its orange and black color scheme. Callout lines with arrows point to various features: the 2-gear selector, the 11-position clutch, the hammer action switch, the variable speed trigger, the anti-slip grip, and the battery pack. The battery pack is labeled 'LITHIUM 1.5Ah 18v'.
